A GROWING NEWSPAPER IN A GROWING COMMUNITY

Vol. 61, No. 41 CAMPBELL, SANTA CLARA COUNTY, CALIFORNIA 10c per copy Thursday, October 28, 1954

NEW PREFIXES FOR MANY PHONES HERE

Pacific Telephone has started the wheels rolling to supply future telephone service in the rapidly expanding San Jose-Campbell area. "Our plans include establishing a new telephone Central building which will provide more telephones for Campbell and South San Jose," said T. T. Cook, District Manager.

Location of this building has not been decided yet.

Preparations for the new office require changing many Franklin 8 numbers to new numbers with the prefix Essex 7.

Some people who have Franklin 8 numbers will get new numbers, but still retain the Franklin 8 prefix.

These number changes will start December 27.

All new numbers will be listed in the new January telephone book.

Pacific telephone has sent out letters to telephone users telling them of their number change. They advise not stocking stationery or other materials with old telephone numbers other than can be used between now and the time when the new numbers become effective.

Shortly before the number change, the telephone company will send out stickers bearing the new number to each telephone user whose number will be changed. These stickers should be put on the telephones at that time.

SCHOOL DISTRICT PROBLEMS ARE DISCUSSED AT CONFAB IN CAMPBELL

At a meeting yesterday afternoon of Santa Clara County school superintendents held at the Campbell Grammar School a committee was named to present a statement before the Senate Education Committee next Friday at San Jose involving annexations and school building problems. Members of the committee are Thomas P. Ryan, Delos Bagby, L. Curtis, Laurance Hill and William Henley.

A preliminary meeting of the committee is to be held next Wednesday at the Campbell Grammar School to formulate the statement.

The meeting yesterday with Assemblyman Clark Bradley and Bruce Allen present along with Michael di Leonardo, Democratic candidate for the Assembly from the 29th District was concerned with state finances and how to secure school financing, improvement of schools, annexations and other subjects. There were no decisions made.

YOUTH CENTER PLANNED HERE

Plans for organizing a Youth Recreation Center in Campbell for teen-age boys and girls will be discussed at a dinner to be held at the Red Coach Inn at 8:00 p. m., November 4, by members of Police Auxiliary, Police Department and City Council. Nick Di Muzio is chairman of the Arrangements Committee.

Judge Edwin Owens, of the Superior Court of Santa Clara County and former Dean of Santa Clara Law School for 20 years, will speak on "Youth Movements and Youth Recreation". Judge Owens was a member of Governor Warren's Crime Commission and on the original Board of Directors for Father Walter Schnidt's "Wutzit Club" of Santa Clara.

One of the major problems confronting the committee is the lack of buildings available in which to house the proposed Youth Center. Several places are under discussion, but it may be found necessary to try to build a permanent clubhouse. The committee feels there has long been a need for a Youth Center in Campbell where young people can gather to participate in various sport and recreational programs under supervision. They believe the Center would help solve this need.

'Holiday Express' Cambrian Event

Mrs. Henry Gerin is chairman, assisted by Mrs. Ronald Wheeler for the annual bazaar scheduled for December 4 by Cambrian Home and School Club, theme of which is to be "Holiday Express".

Chairmen or co-chairmen of the various booths are: Mrs. Norman Houge, decorations and gifts; Mrs. Elmer Lathrup and Mrs. Henry Schatmeier, handiwork; Harold Parker, toys; Mrs. Martha Rapheld, aprons; Mrs. Marion Canovero, baked goods; Mrs. Matt Helmbold, food; Mrs. James Jensen, fish pond, and Mr. and Mrs. L. W. Critchlow, coffee cake, doughnuts and coffee.

Committee chairmen or co-chairmen include: Mrs. Ernest Larkin, Mrs. C. W. Lippert, and Mrs. John Berthold, decoration committee and Mrs. L. W. Wardell, special prizes.

Persons interested in serving on committees should communicate with Mrs. Gerin, FRanklin 8-3616.

Jack Farnham On Cambrian Board

Jack Farnham of Cambrian school district will fill the vacancy on the board of trustees caused by the death of Frank L. Steindorf.

Farnham lives on Woodard road and is recently married. His family has lived in the area for some time, and he grew up in the Cambrian district. The family owned the property chosen this summer for the third Cambrian school located on Woodard road 275 feet from the San Jose-Los Gatos highway.

New Steindorf School Stays In Cambrian

Assemblyman Bruce Allen in a coffee-hour talk Monday morning at the home of Mrs. Martha Rapheld, 15036 Woodard Road, told of the various measures before the electorate next Tuesday and explained the status of Camden school sites in the proximity of San Jose annexations.

The Steindorf school now under construction at the southwest corner of Ross and Foxworthy avenues is partly encircled by San Jose but remains in the school district. In this way the school remains in the Central Fire district, otherwise if annexed by San Jose would have to be serviced by the San Jose fire department.

An agreement was entered into last August between the Cambrian school district and the city of San Jose in which the territory west of Kirk Road and south of Foxworthy avenue was transferred back to the Cambrian school district from the San Jose Unified district whose boundaries in turn were extended to include the area north of the bend in Kirk road to Dry Creek Road.

Allen said concerning AB-1 that the section pertaining to school sites keeps them in original district, and if annexed to San Jose for instance, the bonded indebtedness would go with it.

Kingsburg Will Send Bus Load Of Kiwanians Here

Campbell Kiwanis Club made a good impression at the district convention in the University of Nevada at Reno last week, although losing the coveted traveling bell to the Miracle Mile Club of Los Angeles. Campbell won the bell a year ago at Santa Monica and sent 68 members including wives to the Reno session to retain it but lost to the Los Angeles club with a 40 membership, 38 being present. Henry Jewell, president announced at the meeting Tuesday. The 1955 convention is to be at San Diego.

There were 3400 from Nevada, California and Hawaii at the convention, and the Campbell quartet was featured at several of the sessions.

Judge Martin Walsh at the meeting here Tuesday showed colored films of the 14,000 mile trip he and Mrs. Walsh made to Canada, Nassau, Key West and across the country. He liked wandering through a castle in West Toronto, visiting the Empire State building and United Nations building, riding in the canvas top cars in Bermuda and visiting many of the historic spots in the east and south.

Visitors at the meeting Tuesday were Carole Foster, student manager at Campbell high school. Supervisor Joseph McKinnon of San Jose, Ferron Troxel of the Ontario Kiwanis Club, Raymond Fisher of Los Gatos, W. N. Dodd, guest of his son Merle Dodd and H. M. Davalos, the guest of Ralph Hyde.

Next Tuesday evening a bus load of Kiwanians from Kingsburg in Fresno County will arrive for a joint meeting with the Campbell Club, the meeting to be at 6:30 in the cafetorium of the Grammar School. A year ago the Campbell Club made a similar visitation at Kingsburg.

Tree farms are now operated in 36 States.

Ordinance Passes First Reading

Latimer Park Tract Ready To Be Annexed

The city council introduced for first reading Monday night, an ordinance to annex the proposed 84-acre Latimer Park Subdivision embracing the Amato and Bellicitti properties on the westerly limits of the city and lying between Campbell and Latimer avenues.

The council filed for future reference a petition to annex a thirteen acre tract at Virginia Avenue and Rincon, pending completion of annexation proceedings of the 18 acre Baroni & Payne properties, the latter being contiguous to present boundary lines while the latter

JOHN M. CHARGIN

will not be until the Baroni-Payne annexation is completed. Petitioners are Irving F. Dunn and H. E. Goss.

The Latimer Park site drainage problem was thoroughly discussed by the council and applicants, H. Duncan Mallock, William Van Bokkman and Eugene Mastin, resolving down to a mutual agreement of payment per lot to the city of an agreed sum, provision for intract drainage and willingness to keep open a culvert from the property to San Tomas Aquino Creek at the direction of the city engineer. Councilman John Chargin carried on much of the negotiating, saying this action would not be expected to be a policy of precedent but rather would serve as a stop-gap compromise measure. He said the council and city planners are trying to set up some provisions covering annexations where drainage is of importance and have not yet established a fixed policy.

Councilman Charles Rose, acting as Mayor pro tem in the absence of Mayor Richard Morton, joined with Councilmen Gordon Daum and Chargin in approving introduction of the ordinance with Councilman James Arends voting against the motion. City Attorney Joseph Bonacina is to have the resolution embracing the agreement, ready for passage at the next council meeting, November 8th. The subdivision calls for initial development of 151 lots for building homes to sell for $$11,750 and up, Mallock stated.

The council set November 22nd as the date for hearing application for rezoning the Herman Y. Rice 12 acre site at Winchester road and Hamilton Avenue a portion of which will be for a shopping center and the remainder for C-2-S zoning. On the same evening will be a hearing on changing zone of 150 feet on the north side of Hamilton avenue and west of Central avenue from R-1 to C-1-S zoning for a 4-unit medical-dental center as applied for by Security Enterprises.

Council took under advisement the request by letter of the Campbell Chamber of Commerce to install eight-foot Christmas scrolls on telephone and power poles and for financing help. Indemnity agreements would have to be between the Chamber of Commerce and the utility firms rather than with the city as proposed, according to the city attorney. Sam Cava, president of the Chamber said plans include having a parade led by a brass band, with fire trucks, Santa Claus and children participating in a party. Cava said the plan is to be in keeping with Christmas decorations and observances in other cities so that business and Christmas festivities are kept at home.

Following report from the Chamber of Commerce on a survey on traffic and the Peerless Stage parking zones, Council approved offer of the bus company to retain present parking space less a twenty foot space on the north side of Campbell avenue. The Chamber of Commerce letter indicated signs might be set up warning pedestrians to cross at the proper intersection as a safety measure.

A. C. Currie of Santa Cruz, owner of business property on Winchester road formerly used for a bakery and for a cleaning establishment appeared before the council regarding wrecked cars placed alongside his property asking whether this was a zoning violation or nuisance, matter being referred to the city attorney.

Councilmen Chargin, Daum and Rose were to meet last night with Stephen Goodman of Sanitation District No. 4, regarding service rates, and report back to the council.

Bonacina reported the Southern Pacific has applied for increase in passenger rates. Engineer Mark Thomas is working on plans for standardization of electroliers used in newly annexed properties.

Councilman Chargin reported on the League of Cities convention at Los Angeles, attended by all five members of the council, saying a negative vote was given from Campbell on a proposed half-cent sales tax levy for the county under a measure concerning a balance of population between cities and unincorporated lands. Another measure setting up citizens committees to study matters affecting drainage, annexations, sales tax and other timely issues was deemed advantageous by this council; also that newly annexed lands pay their way if they are to receive city services pending the time the property is on the tax rolls.

Mayor Richard Morton appeared just before the meeting adjourned reporting on annexation plans of San Jose piercing the Campbell sphere of influence.

SAFETY LEADER AT ROTARY MEET

"It Takes All of Us" was the subject of a talk given by David Kaye, Managing Director of the Santa Clara County Chapter of the National Safety Council, at the Monday luncheon of the Campbell Rotary Club.

During his talk on safety, Kaye said there is a death every six minutes and an injury every three seconds in the United States. Since the advent of the automobile there has been one million auto deaths; the major cause being lack of courtesy and horse sense, with the mental attitude of the driver the most important aspect. He also noted that highways are safer when both driver and highway are dry.

The goal of the Santa Clara County Safety Council is to reduce accidents. The Council sponsors Driver Educational programs in schools and licensing of driver and vehicles. It feels traffic enforcement brings down the accident rate.

Dr. Robert Jasmine was chairman of the day.

PTA Membership At New Record In Campbell

The membership drive of Campbell Grammar School P. T. A. was a tremendous success due to the wonderful cooperation of teachers and students", stated Mrs. Albert Bariteau, president of the organzation. There are 886 students enrolled at the school and a P. T. A. membership of 810 parents which includes a 100% membership of the teachers. This make a total of 221 more members than last year.

Members of the committee who worked hard to make this drive a success are Mesdames W. Whitton, R. Fryar, Earl Barker, D. Bahl and A. Bariteau. They were assisted by the Mesdames John Sabo, Richard Max, Frank Lima and J. Macredes.

Mrs. Arthur Aguilar's sixth grade class won free passes to the Garden Theater for the room having the highest percentage of members. Mrs. William Brown's seventh grade won $5, and Mrs. Harriet Hilliard's eight grade also won $5.

S. J. LIFTS LONG ARM TO ANNEX

Another Proposed annexation map was filed with the County Boundaries Commission Tuesday by the City of San Jose seeking to take in the 190 acre site between Union and National avenues.

The area includes the Los Gatos Cemetery and its southern boundary would be the Los Gatos-Almaden Road. Headlined in a San Jose newspaper was "S. J. Moves to Cinch The Ring Around Cambrian".

The move is dependent on completion of another San Jose annexation, Cambrian No. 2. A late map, titled Glendale No. 1, would connect to Cambrian No. 2 at Union Avenue.

In the meantime a movement has been started by San Jose leaders to interest the people of Hollywood Park and Moreland in being annexed, later to annex Quito Park. A meeting to discuss the feasability of such move has been scheduled for the evening of Wednesday, November 10th at the Moreland School, Payne avenue and the Saratoga-Santa Clara Road. Mayor Richard Morton is to represent the City of Campbell at this meeting.

The proposed action toward annexing to San Jose if successful would extend beyond the sphere of influence set up by the county planners as it relates to Campbell.

Cherry Lane Has Tumbling Feats

An exhibition of tumbling by fifth and sixth grade boys and girls under the direction of Allen Watson, sixth grade teacher, was given members of Cherry Lane Home and School Club, last Tuesday evening. Their stunts, including shoulder stands, shoulder knee flips, collapsing pyramids; were part of a program on physical education in the school arranged by John Nevin, program chairman. Miss Shirley Hall and Joe Stein, teachers of boys and girls physical education, described their programs at Cherry Lane School.

Performers were John Short, Elroy Fellman, Donnie Lea, Linda Faliturl, Joan Viehweger, Gary Hartzell, Bob Halliwell and Tom Sanchez.

After "Open House" in school rooms, nearly 200 parents gathered in the cafetorium for the regular meeting with Cliff Cunha presiding. A committee was appointed to buy a rug for the kindergarten and money was made available for a new Cub Scout Pack, under the direction of E. H. McGinty. The group plans to increase its treasury by selling tickets to the Footlighters mystery play on December 3rd., the tickets to be available at the next meeting. It was also voted to buy shirts for the athletic team printed with the name "Panthers" so that the boys would have them for the inter-school sports such as All-School Competition to be held November 19, at the Campbell Grammar School.

The evening concluded with the serving of cider, coffee and doughnuts to parents and children. Mrs. Emma Davenport is refreshment chairman, and Mrs. Sammy McGinty is decoration chairman.

Winchester Avenue Shopping Center

Rice Property Zoning Approved By Planners

The Campbell Planning Commission approved re-zoning of the Herman Y. Rice property at Winchester and Hamilton avenues for a shopping center after J. M. McKiernan, representing the Clayton Company, developers, assured that they were in no way speculating on the property and that they were adequately financed to proceed as agents on a brokerage basis with their own financing. He said their first consideration was for the people of Campbell and that they already have one firm commitment and several tentative commitments for store leases. Two super markets are definitely interested, he stated. The same developers have comparable projects approved for Los Gatos and Irvington and they will be better than average centers.

The application was approved unanimously and sent to the city council.

The planners however rejected the application of Ynez Archibald to rezone for business a lot opposite the high school, after a petition signed by twenty property owners in the block had been presented by W. B. Whitmore. An application by Stringfellow Realty to rezone the southeast corner of Fewtrell and the San Jose-Los Gatos Road, for business so that a self-service gas station with a concrete block building could be put up there, was deferred so Planners could study highway plans. Nestor Barrett, planning consultant, said this may be at one of the breaking points for the new Route 5 freewey, while road plans for the state may be changed. Proponents were told to reconsider building architecture.

Preliminary plans for the 18-acre Payne-Baroni subdivision at Virginia Avenue, Bucknall Road and Rincon avenue were approved for annexation. There are 86 building sites of 6000 square feet minimum on which developers say homes to sell at from $12,500 up will be built.

Planners continued their hearing on the Assembly of God Church application to enlarge size of their building, on request of applicants.

Weinberger Here

LIQUOR REFORM PLAN IS LAUDED BY ASSEMBLYMAN

At a meeting in the cafetorium of the Campbell Grammar School on Monday evening, Assemblyman Caspar Weinberger of San Francisco discussed proposition No. 3 the liquor control reform measure on the November 2 ballot before more than 125 people, assembled for a republican rally.

Weinberger headed the joint legislative subcommittee on alsoholic beverage control which last Spring recommended a new, separate liquor regulatory department. He said here that Proposition 3 provides for appointment of a department head in place of the politics ridden board of equalization. He said it is modeled closely on other clean and honestly run departments in California and in the 43 other states handling liquor control problems.

The proposed new liquor director would be responsible to the governor, the legislature and the courts, the speaker explained, whereas the members of the present equalization board are not responsible to the governor and cannot be impeached even by the legislature.

"Since Proposition No. 3 would provide exactly the same type of administrative organization for liquor control that we use so successfully in regulating banks, public utilities, insurance companies and all other ligitimate businesses that are serviced by the state", Weinberger continued, "it is nonsense to contend that we would have a liquor czar or dictator when no one has even charged in the last 40 years that we have a utilities czar, or a banking czar or an insurance czar.

"California does not regulate any other industry except liquor by an elected board.

"Any contention that Proposition No. 3 would not provide additional manpower to clean up the open and brazen corruption in liquor licensing and a laxity in enforcement that is the disgrace of the state, can only be made by people who have not read the constitutional amendment.

"Proposition No. 3 provides for four new deputy directors of the department who will infuse a new, clean, honest and energetic atmosphere into the tired, corrupt and wretchedly inadequate liquor control system we have had under the board of equalization."

Weinberger said Proposition No. 3 has been endorsed by virtually every responsible statewide organization which has studied the matter.

Weinberger warmly commended the services in the legislature of Clark Bradley and Bruce Allen whom he said had rugged honesty and who belonged in the school of good government.

SAN TOMAS PTA BAGS FOR RAGS DRIVE STARTS

"Bags for Rags". The community is invited to contribute old clothes and rags to the San Tomas P. T. A. Salvage Drive which begins November 1 and closes November 9. All proceeds from discarded cotton or woolen clothing and cotton or woolen rags will be used for the benefit of the San Tomas P. T. A. Usable items will be segregated for distribution to needy families. Recipients of such items will be supplied through a centralized clothing depot and thus saved embarrassment.

No rugs, burlap, upholstery or leather goods can be utilized. Bags will be distributed to pupils of the San Tomas School on November 1st and parents are requested to return bags whether or not they are filled.

The Salvage Drive is under the direction of Mr. and Mrs. Edward Miller, ways and means chairman of the P. T. A.

Mrs. HATTIE McDONALD of 42 Second Street in Campbell, fell and broke her hip Monday evening and is now in County Hospital in a critical condition.

LETS'S GO! Running out to practice yesterday were Campbell High School's Varsity Football Players. Far from despondent, they resumed practice this week after losing a tough 13-6 decision to Fremont, determined to win the rest of the games on their tough schedule. This week Campbell's Reserves face the Reserves from Polytechnic High School of San Francisco. Next league game will be held on the local field a week from Friday against James Lick High.

EDITORIAL

THE EDITOR'S CHOICE

Vote as you choose next Tuesday, but vote. After careful study of the measures submitted, the **Press** recommends:

Prop. No. 1—YES. This is the Veteran's bond act, a self-liquidating issue which already has helped 60,000 veterans obtain low-cost financing on homes and farms. Similar issues have been repaid.

Prop. No. 2—YES. $100,000,000 school bonds will continue program for two years. Already many applications, as state is using priority system. oney is handled by Department of Finance to aid impoverished districts restricting use of any frills.

Prop. No. 3—YES. Sets up Alcoholic Beverage control department and takes jurisdiction away from Board of Equalization, leaving them to devote time to tax administration.

Prop. No. 4—NO. Would increase old age pension from $80 to $100 and if passed would be written into constitution and out of the hands of legislators.

Proposition No. 5—YES. Continues present shipping bill which otherwise will expire in January, enabling ships registered in California ports to compete taxwise with vessels of other states and nations.

Prop. 6—YES. Raises salaries of state legislators to $500 month, and will bring in better men.

Prop. No. 7—YES. Torrens Land title act to be amended or repealed by legislators, quite obsolete and in little use, but nevertheless on the statute books.

Prop. No. 8—NO. Same bill as No. 5, but includes fishing boats which would subsidize commercial fishing.

Prop. No. 9—YES. Tax exempts church building under construction.

Prop. No. 10—NO. Would extend terms of office and make men less responsive to duties. Shorter terms and more work will be done so can be returned on approval of electorate if work is satisfactory.

Prop. No. 11—YES. Tax exemption for paraplegic veterans' homes who require expensive equipment to live. A particularly worthy measure.

Prop. No. 12—NO. If this measure is passed, then people convicted of serious crimes can vote and run for public office.

Prop. No. 13—NO. Vernon, a city of 500, wants a charter. Does not seem practical.

Prop. No. 14—YES. Tax exemption for colleges under construction, similar measure to No. 9, affecting church buildings.

Prop. No. 15—YES. This one exempts properties of hospitals, charities and religions while buildings are under construction.

Prop. No. 16—YES. Tells U. S. Government to follow California Water laws in acquiring future property. Camp Pendleton acquisition of water rights brought about this proposition.

Prop. No. 17—YES. Permits use of gas tax monies for building off-street parking. City council can decide on whether money is to be used for this purpose. We've seen cities grow so fast there was no place to park cars down town so offstreet parking had to be provided. It could happen here.

Prop. No. 18—Doesn't do much. Cuts dead wood from constitutional tree and allows orientals constitutional property rights same as foreigners of other races.

Prop. No. 19—NO. Would allow Justice of the Peace who is not a lawyer to become a judge. What would happen if both No. 12 and No. 19 were given approval?

Prop. No. 20—YES. Changes procedure in framing county charters, giving elected freeholders more time to iron out the kinks.

County Charter Amendment 1—YES. Raises the pay of supervisors. We would like it better if supervisors were elected at large over the county so they could be responsible to the entire county, but that isn't what this measure calls for. It would up their pay from $3600 to $6000 per year.

County Charter Amendment No. 2—NO. Let the County Manager run the fair grounds on a year-around basis, or have a fair manager in there to do the job and make it self-supporting. I'm prejudiced on this one for having been associated with the San Mateo County Fair, buildings used year around, no county taxes needed.

SHAMEFUL POLITICS

Politics reached a new low ebb this week as pictures of a young man with rogues gallery numbers were sent through the mails without bearing name or address of the sender. On the back of each picture was the citation taken twenty years ago of a common drunk, later released, the episode having been just after prohibition when about everybody took a nip of this and that. The man in subsequent years became a success in his vocation and has won special, national honors. He is married, has a good family, and today seeks election to public office. Let he who is without sin cast the first stone, take heed that was done twenty years ago in flaming youth, has little to do with qualifications of an upstanding citizen of today to hold public office. Only a coward would hurl such a stone without identifying himself.

WHAT NEXT DEP'T.--You take down the receiver of your telephone and dial FRanklin 8-2900 and someone may answer right away just like you might expect, or you might get a message from Neal Timmons of TV Service saying he is going to be out of the store for a few minutes, or that he decided to go fishing and anyway the voice will tell you that when a tone comes on, a recording will be made of your voice and you can give your name and message which he will play back just as soon as he returns, and will then get in touch with you or fill your order . . . it is the new, automatic recorder service being tried out by the Pacific Telephone and Tel Company and is one of only six or seven in the bay area being in use, sort of an answering service that doesn't need a secretary, and it really works . . . Neal just flips a switch and says he will be out and to give your message after you hear the dial tone then pushes another hootnanny and it is ready to give you his message and to take yours.

SIGNS OF THE TIMES—The activated spirit commission that has given zoom and color to many of the events at the Campbell High School is from now on to be known as the Rally commission according to action taken at a recent meeting of the commission . . . smoke hurling along on outside corridor of the Campbell Grammar School Monday was only from a barbecue pit where dozens of hamburgers were being prepared by Dave Sanders for guests at the Republican rally . . . Marilyn Peters who did her chores so well as editor of the Campus Echo last year at Campbell High School, was enrolled at the Fresno State College, and right away was named editor of the college paper, the Patio Press, winning the place with stiff competition even though she is but a freshman student . . . the history club, one of the new organization at Campbell High School meeting last night to approve the constitution originally outlined by Minnie Lindsay and Jo Weidner, all 23 of the members deciding then to see the new cinemascope film, "Desiree" in which Marlon Brando plays the part of Napoleon Boneparte . . . feature of the meeting last night was a talk by Eugenio Gamez, a teacher of Spanish, about his three-months trip this summer in France, Switzerland, Spain, England, Portugal, Germany and Scandinavia . . . . said most Europeans speak at least one tongue other than their own and many on the continent can speak four or five languages with ease. . . Gamez said he saw eleven countries at a total cost of $1400 because he wasn't too proud to sleep in youth Hostels and knew enough languages to order inexpensive dishes . . . he brought back Spanish boots from Madrid and a tight-fitting suit from Lisbon, a sport coat from London and jewelry from Paris . . . says the best teaching is of the "I was there" variety especially for the new history club and his language classes.

STATE TO WIDEN MONTEREY ROAD

Extension of the Eastshore freeway and the widening of the Monterey highway are included in the 1955 budget appropriations by the state division of highways. It provides $4,490,000 for projects in Santa Clara County, one million dollars of which is for the Monterey highway widening from Ford Road south to San Martin.

Stuart McClure For Equalization Board Supported

The election of Stuart L. McClure to the Board of Equalization, First District, is vital if we are going to meet the tragic problem of juvenile delinquency in this district according to Arthur Wilbur, Santa Clara county chairman for McClure.

"McClure's candidacy has gained tremendous strength in the closing days of the campaign, particularly from those concerned with the lax enforcement of liquor laws in regard to teen agers," Wilbur said.

Backing Wilbur in support of McClure is a committee of prominent local citizens including Patrick Peabody, Emmons Coogan, Mrs. Mary Jaspar of San Jose; Don Stelling of Sunnyvale; Mrs. George Ritchie and Mrs. Mary King of Cupertino; Mrs. Henry Frank and Alex Wilson of Los Gatos.

Also urging the election of McClure as a first step in meeting juvenile delinquency in this district is a woman's committee headed by Mrs. J. W. O'Connor, San Jose civic leader.

San Tomas Scouts See Forest Film

A film on the life of a Forest Ranger, shown in keeping with the current conservation program, was a feature of the recent meeting of Pack 30, San Tomas Cub Scouts, held in the San Tomas School.

Cubmaster George Orr climaxed his introduction of pack leaders by announcing his resignation as leader, and welcoming Andre Pirvulas his successor. Other appointed leaders are Edward Platt, chairman; Lowell Hancock, secretary-treasurer; Mel Neiyahr, issistant; Larry Cunha, assistant; and William Good, institutional representative.

Under the leadership of Mrs. George Orr, members of Den One told of their interesting experiences while visiting the Campbell Fire Station during Fire Prevention week.

Conservation emphasis will be continued in the October 29th meeting at the San Tomas School with Associate Ranger Roscoe Sarage of the Morgan Hill District of the California State Forestry Division, presenting a colorful film about our forests. Ranger Sarage will also present a short lecture on how Cubs can assist in keeping our forests free from fire and other destructive forces.

The theme for the October Pack meeting is "Musical Hoe Down", in which time Dens will present skits Friday evening in the San Tomas School.

Den Mothers introduced at the evening meeting were Mesdames George Orr Jr., Den One; Howard Andrews, Den Two; William Brown, Den Three; William Hanson, Den Four; Lowell Hancock, Den Five; and Jack Fischer, Den Six.

THE ACCOMPLISHMENTS OF THE 83rd CONGRESS (1953-54) SPEAK FOR THEMSELVES, AND DESERVE YOUR BACKING

REPUBLICAN ACCOMPLISHMENTS
83rd CONGRESS — 1953-1954:

1. Income taxes cut ten percent; excise taxes cut 50 per cent; tax law revised. Total tax saving, $7.4 billion.
2. Korean War ended. Seized initiative for peace, new foreign policy based on firmness and strength.
3. Federal spending in 1953-54 cut $6.7 billion below Democrat spending in 1952-53.
4. Communist Party stripped of all legal rights, and Red infiltration of unions checked.
5. Stronger defense program adopted. Heavier reliance on atomic weapons and air power. Air Force Academy established.
6. Wage, price, rent, and materials controls ended.
7. New housing program raises limits on Government-insured home mortgages, lowers down-payments, and makes home ownership easier for thousands.
8. Atomic Energy Law revised.
9. 216,243 unnecessary Federal jobs abolished.
10. More people gainfully employed today than at any other peacetime period.

Surprise Bridal Shower Honors Stella Lopez

A gaily trimmed grey and yellow ruffled umbrella loaded with gifts signaled the opening of a surprise bridal shower honoring Stella Lopez, last Wednesday evening, in the home of Mr. and Mrs. F. A. Coombs at 630 Elden Drive.

Connie oombs and Carole Foster were hostesses for their unsuspecting guest of honor, and served hot spiced punch and cake in buffet style.

Attending the party were Charlene Robertson, Betty Baldridge, Mary Foster, Mrs. Ralph Foster, Carole Foster, Linda Curtis, Mrs. Frank Coombs, Janet Coombs, and Connie Coombs.

Youth Control Center Is Topic Quito PTA Meet

"A Juvenile Offices is trained in every phase of police work," said Inspector Jay Heeschen, Juvenile Protection Officer for the Sheriff's office, when he spoke to a large audience at the Quito P. T. A. meeting this week.

Giving a bird's-eye view of the duties as Juvenile Protection Officer, he told of inadequate juvenile facilities in Santa Clara County and of the great length that are achieved in rehabilitating these "delinquents" to a rewarding adulthood. Out of 1008 juvenile offenses last year, 209 were arrested, and of these only 12 had to be directed to a youth control center.

He reminded all parents of the moral responsibility they have to their children, not to contribute to their delinquency by giving them "weapons" which might incite them to hurt people or damage property.

Assistant Civil Director A. R. Lundsford and Captain Ted Parker of the Fire Department, had the Civil Defense truck on display, with an interesting array of booklets, telling what to do now to prepare for a disaster in the way of emergency sanitation, food, water and fire-control.

They explained how the well trained Civil Defense crews are organized to handle any type disaster with food,water, first aid and communication system.

Mrs. Robert Martindale and Mrs. Arthur Sayler, 6th grade Room Mothers, arranged an Autumn display of fruit, flowers and leaves on the refreshment table.

Eleanor Dittus Is Honorary Member Of Iris Society

An honorary life membership in the Iris Society of Santa Clara County was awarded Miss Eleanor Dittus when members and guests gathered at Scholfield Hall of the Y. W. C. A. for the society's annual Harvest Tea. Miss Dittus was given this honor as a reward for her many years of outstanding service to the society.

An interesting musical program was presented by Penny Yuki, pianist, and Wallace Wardell, violinist; both students of Cambrian Elementry School.

An Autumnal decor of chrysanthemums and grapes centered the tea table: Pouring were Mrs. Susie Reed and Mrs. Bertha Johnson, past presidents.

Guests were Mesdames Olsen Brown, president of Mt. Pleasant Garden Club; Earle Berger, J. F. Nichols, C. Pete Swain, Rosalie Pfeffer, Martha Garlick, Eleanor Leister, C. E. Campbell and Emma Hogg.

Hostesses were the officers and board members; Mesdames Fred Vogler, William Brinkman, Virgil Turner, George Anderson, Lucille Cloud, Wyly Craft, Maynard Knopf, and Dorathea Warner.

Job's Daughters Plan Busy Week

Job's Daughters have calendared a number of events for next week. Monday, November 1, there will be choir practice at 3:45 in the home of Mrs. Denning, at 109 Alice Avenue. November 3, there will be a practice for officers and choir at 3:45, in the I. O. O. F. Hall. Friday, November 5, the International Order of Job's Daughters will exemplify for Eastern Star and put on a Majority Degree.

Senior Princess, Stralene Petri, today expressed appreciation to all who helped make her dinner a success.

Wee-Han-Pa Girls Elect Officers

Wee-Han-Pa Campfire Group of Campbell reconvened for their fall term recently in the Campbell Scout Hall. First on the order of business was the election of new officers who are Carol Ann Ostermeier, president; Lane Hecker, vice-president; Judith Peterson, secretary; and Barbara Salituri, treasurer.

Connie Loveday, chairman of the entertainment and refreshment committee, outlined the program for the ensuing term and appointed her assistants for the future meetings.

Friday night, October 29, a meeting will be held in the Scout Hall which is designated as "Mom and Dad Night". Exhibits of the group's birthday projects will be shown and refreshments will be served.

POTLUCK SUPPER FOR GEORGE TUTT LODGE SATURDAY

A Hard Time Party and potluck supper is in store for members of George E. Tutt Masonic Lodge when they meet Saturday evening, October 30, at the Parker School on Union Avenue, in Cambrian Park. Joe Feasel is chairman and will be assisted by Clyde Barham, co-chairman.

There will be entertainment and dancing.

California's 1953 production of rice, potatoes, alfalfa seed and Sudan grass seed was the largest of record.

Work Week Is Set By Church

The first week of November has been designated as "Work Week" by the Pilgrim Fellowship Groups of the Congregational Church. Anyone having jobs for the young people may call FR 8-3338 for the Seniors and FR 8-6170 for the Juniors.

Money made by the Juniors will go for the Orphan Fund while that made by the Seniors will go for the New Church Building Fund.

CAMPBELL REGISTER

Gary Swenson, who has been spending a 30 day leave with his parents, Mr. and Mrs. R. D. Swenson of 15086 Charmeran Avenue, will report to the El Toro Marine Base on November 1. Prior to his leave Gary spent 16 months serving with the Marines in Korea.

The annual barbecue of the County Volunteer Firemen was held recently at the home of Mr. and Mrs. Kenneth Bitzer at 995 Juanita Way. Fire Chief Lingua acted as chef for the forty members present.

The Council of Job's Daughters pronounced the Senior Princess Turkey Dinner a huge success when they met at the home of Mrs. Kenneth Bitzer recently. The next meeting will be November 1, in the Schraub home on Milton Avenue.

Mr. and Mrs. ERNEST LARKIN with sons Mike and Danny, of 600 Sydnor Drive, decided to go camping over the weekend in Portola National Park. After camping out one night they decided it was much too cold for enjoyment so packed up and went to visit friends the Gordon Dales of Redwood City, where they pitched their tent in the back yard and stayed for the rest of the weekend.

Mr. and Mrs. LARRY RINGER, of 408 Kenneth Avenue, are very happy over the arrival of their first child, a baby boy named Steven Larry, born in Oak Knoll Hospital, Oakland, on October 19, weighing 6 pounds 11¼ ounces. The father, who has not seen his new son, is aboard the U. S. S. Yorktown, stationed in the Philippine Islands, and expects to be home in December. The maternal grandparents of little Steven are Mr. and Mrs. Leland Jones of Kenneth Avenue.

Hallowe'en Ball Plans Completed

A Hallowe'en Costume Ball will be held by the West Hills Service Club of Campbell on Friday, October 29, at 8:30 p. m. at the Los Alamitos Ranchos Party Ranch located at 19871 McKead Road. Simulated old treasure maps have been mailed to members to show them the way. There will be dancing, games and refreshments.

Mrs. Ford Whitney is chairman and members of her committee are Mesdames Louis Brandon, George Kemp, Richard Drew, Hector Daves, Robert Boltz and Miss Aileen Cowdry.

The West Hills Service Club was formerly called the Campbell Community Club but since it now serves and has members in surrounding areas it has outgrown the designation of Campbell. The special project of the Club is working with home-bound children. It also does special family service and directs the Red Cross Blood Bank Drive every year in this area.

Jeans Good Garb At Harvest Dance

Plans for the Harvest Dance to be given by the Campbell P. T. A. Saturday, November 6, have been completed and a fun packed evening is promised.

Guests should come dressed to kick up their heels in cotton dresses, pedal pushers, or jeans. A fine four piece orchestro has been engaged and refreshments will be served. Representatives of the Student Council will be in charge of Coke sales and coat checking. A large turkey will be given as door prize and chances will be sold on a 100% wool blanket.

The P. T. A. invites all parents of Campbell Grammar School, and they need not be members, to join in the fun.

Mr. and Mrs. Ken Rutter, and Mr. Alfred Harper are chairmen for the dance. Mrs. Fred Hoffman is in charge of decorations.

Star Circle OES Plans Card Party

Star Circle, a social group of O. E. S., completed final plans for a card party to be held Friday evening, October 29, in the I. O. O. F. Hall, at 8:00 p. m., when members gathered for the regular monthly meeting at the home of Mrs. George Hatlen at 279 Dallas Drive. Evelyn Buck, president, conducted the business meeting. Co-hostesses were Mrs. T. Dougherty, Mrs. Glen Kellogg an dMrs. Anna Feasel.

Members attending the meeting were Mesdames Earl Buck, Glen Sigenior, George French, Lewis Sutton, L. E. Hendricks, Glen Kellogg, Anna Feasel, Thomas Dougherty, Cora Kaufmann, Ralph Schaefle, Rudy Nelson, Clyde Barham.

Next meeting will be at the home of Mrs. Rudy Nelson, 581 Dry Creek Road.

Netops Confer Initiatory On Six Candidates

Mrs. Harold Means, Great First Trustee, was the guest of honor of Netops Council No. 274, Degree of Pocahontas, when it convened for its "Representative Visit Night", Friday, October 22. Members of the Past Pocahontas Club, Mesdames C. A. Cole, Eugene Hodges, Silas Fanning, Stanley Drew, Ray Gilpatrick, Stan Rohde, George Reynolds and Clare Austin, served as the escort team.

The Degree Staff conferred the initiatory degree on six candidates. They are the Mesdames Edna Black, Maxine Smith, Evelyn Bartlett, Lana Louder, Verlye Cleveland, Clara Dorsett.

Mrs. Jess Peters and Mrs. Silas Fanning were in charge of refreshments while the Halloween decor was carried out by Mrs. George Reynolds and Mrs. Stan Rohde.

Mrs. Homer Hyde Is Hostess To The Rotary-Anns

A dessert Card Party for members of the Rotary Anns, womens' auxiliary of the Campbell Rotary Club, was held last Wednesday evening in the home of Mr. and Mrs. Homer Hyde at 66 Alice Avenue.

Prizes for Canasta and Bridge were awarded to Mrs. William Maderis, Mrs. Mervyn Willoughby and Mrs. Clyde Beatty.

CRITICISM OF YOUNG'S RECORD HAS BACKFIRED

As an aftermath of what was described as "a vicious attack on a heroic war record", William H. Young's Campaign Headquarters has madeavailable to the press his complete service record. It discloses the award to Young of the Bronze Star Medal for heroism in action, the Purple Heart for wounds received in combat with the enemy, and Bronze Service Stars for the Rhineland, Ardennes, Central Europe, Rome-Arno and Southern France Campaigns.

Particularly emphasized by Young's Headquarters was various official Army correspondence and records. Young's official presonnel record discloses completion of thirty-four official parachute jumps as of August 15, 1944.

In a letter of recommendation signed by Col. R. D. Graves, commanding officer of the 517th Parachute Infantry, it is stated that Young "was wounded in the Airborne invasion of Southern France in August, 1944, and has functioned as Provost Marshall since his return from the hospital in September, 1944." Col. Graves in the same letter said of Young, "His vast civilian experience in criminal investigation makes him well qualified to handle and interrogate German Prisoners." This letter was endorsed by Major General E. G. Chapman, who stated, "The personal and professional reputation of Captain Young while serving with this Division has been outstanding and it is with pleasure that I endorse this commendation of his services for your consideration." Further endorsements of approval were given by Lieutenant General Clay, and Major General O. P. Echols.

Young's function as Provost Marshall are officially described in his Separation Qualification Record

HALLOWE'EN SPIRITS AT GRANGE MEET

Dressed in Hallowe'en costumes, members of Orchard City Grange held a potluck dinner prior to a short business session called to order by the Master of the Grange, Judge Emery.

San Jose Grange Master, Hoody King, was escorted to the right of the Master's station and introduced four other members of San Jose Grange, including Mrs. Lulla Bell King. John Gordon, district deputy, reminded the members again that a bus will be chartered to attend the National Grange Convention to be held in Spokane, Washington, November 10 and that 19 Granges have already signed to go. He announced that at the coming Pomona meeting at Gilroy, November 6, the Junior Grangers will serve a cafeteria style dinner at 6:30 p. m. and all members should give the young people a boost. It was also reported that the ladies of the Pomona Home Economics served 19,500 portions of strawberry shortcake at the Santa Clara County Fair this year.

After the meeting there was Folk Dancing, arranged by Mervyn Keesling. Refreshment chairman was Sarah Blue assisted by Mr. and Mrs. Philip Foegle, Mr. and Mrs. Evan Sizer and Mrs. Anna Peterson.

League Backing County Measure

Formation of a countywide organization to defeat the pari-mutuel betting proposition and charter change affecting County Fair management was announced yesterday.

The campaign organization, "Citizens League Against Pari-Mutuel Betting in Santa Clara County" is led by John D. Crummey, president of Food Machinery & Chemical Corp., and Fred A. Wichett, county freeholder and former mayor of Palo Alto.

GLEN SKILLRUD HAS SPECIALS

Glen Skilrud, owner of Glen's Chevron Station at Winchester Road and Campbell Avenue is recovering from his recent hospitalization from work injuries, and on Saturday will be at his station to greet old and new friends with an unusual offering.

From nine until one, for each ten gallons of gas purchased, the tank of each passenger car will be filled. In other words if the tank holds 15 gallons, and the motorist has two gallons in the tank and pays for ten more, it will then have twelve gallons, but Glen will add the extra three gallons for free. The only condition is that a clipping of the ad in the Campbell Press must be presented.

In Sheriff Race

GASPAR DENIES GIVING LETTER COMMENDATION

Walter Gasper, County Supervisor from the fifth district, former sheriff of Santa Clara County said in Campbell yesterday he felt better results will obtain at the present time by electing a sheriff who has made no direct contact over the past number of years with the Sheriff's department.

He denied ever having given sheriff candidate Bill Young documentary evidence as alleged, to prove efficiency in office as a result of having done undercover work for Gasper when sheriff. He did write a letter to the Detective License Bureau at San Francisco relative to Young's application for a license to conduct a private detective agency after Young had showed him several documents relative to his service in the army. Supervisor Gasper resides in Los Gatos.

Ford Plant Brings In New Families

FACULTY WIVES HERE ARE URGED TO ASSIST WITH INTEGRATION

At a meeting of Campbell High School Faculty Wives Club last Wednesday, Philip Buskirk of the American Friends Service Committee discussed ways for integrating new families into this area when the Ford Assembly Plant opens next March at Milpitas. With Campbell having the first interchange on the new Route 5 freeway, this area may experience problems he pointed out, as some 1400 new families move to residential areas in the proximity of their work at the Milpitas plant.

Buskirk is now working with the community planning program at Milpitas. Last year his work at Richmond attained national recognition as one promoting the democratic way of life.

Hostess for the evening program here was Sue Peabody with Mildred Kemp, Phyllis Knauth and Maxine Olson assisting.

Faculty wives are to have a get-acquainted party Thursday night, November 18 at the Country Waman's Club, following the Thanksgiving holiday motif. The club is setting up a $100 scholarship for a deserving senior girl planning to attend San Jose State College. Half the fund has been raised through cake sales during noon hours at the high school.

The club with a membership of seventy, is a social and service organization meeting monthly in homes of various members, once a year honoring their husbands with a picnic.

Baby Shower For Mrs. Chas. Rogers

A Baby Shower, honoring Mrs. Charles Roger of 360 Casey Road, was given recently by Mrs. Walter Lamb of 108 South First Street. A pink stork surveyed the table spread with the traditional Baby Shower Cloth and holding individual ice cream servings decorated with miniature storks and booties which were served with cookies and coffee.

A number of games, with prizes, furnished entertainment for the guests during the evening.

Attending the shower, honoring Mrs. Rogers, were Mesdames Bill Cole, Ray Gilpatrick, Charlie Shaw, Male Darsett, Carl Sutton, Robert Loveday, Denver Miranda, John Morris, Joe Rogers, Tony Raffanti, Frank Accardi, Peter Spraiga, Fred Kropp, Paul Kromberg, E. D. Abner, Oakie Dixon, and Maire Subdon.

The San Francisco fire alarm system was created October 5, 1863, by the Board of Supervisors.

Dental Auxliiary To Hear Of Food Here And Abroad

Monthly luncheon meeting of Santa Clara County Dental Auxiliary will be held next Tuesday Nov. 4) at 12:30 p. m. at Villa Felice, Los Gatos.

Mrs. Winifred Jecker, Santa Clara County home demonstration agent for the Farm and Home Advisers office, University of California Agricultural Extension Service, will speak on "Food, Cooking and Kitchens, Here and Abroad." She will be introduced by Mrs. Wilber K. Wirtz, program chairman.

Last year Mrs. Jecker visited over 100 European homes and kitchens in Germany, Italy, France, Switzerland, England, Scotland, Holland and Luxembourg and lived with dozens of families in a study she made of European cookery and homemaking techniques. In her talk she will incorporate highlights of her trip and contrast European housewives to their American counterparts.

Luncheon reservations may be made with Mrs. A. M. August at UNion 7-9021 in Saratoga before Tuesday. Mrs. R. T. Dunkin, transportation chairman, may be contacted at CYpress 2-3436 for those in need of a ride.

Social half-hour will be held at noon, preceding luncheon.

Whist Party At Hamilton School

A Whist Party is being sponsored by the Hamilton School P. T. A. on Friday, November 5, at 7:30 p. m. in the school cafetorium.

There will be prizes galore in addition to door prizes and refreshments served. Children have taken tickets home to sell and they also will be sold at the door. Proceeds of the card party will be used to buy school equipment.

Don Anderson and Mrs. Phoebe Davis are chairmen and members of their committee are Jack Dibble, Marie Infantino, Artvera Lawrence, Jessie Olson, Edith Kerr, Jeannette Ritter, Wilma and John Plog and Shirley Fleming.

Safety Winners Announced At Grange Confab

The State Grange safety and community service contests went to the Fort Bragg, Mendocino County and the Palermo, Butte County Granges at the state convention last week in San Jose.

State Grange Master George Sehlmeyer presented a $500 cash prize to the Fort Bragg organization during the annual California Grange convention today for its efforts in promoting safety. Another $200 in defense bonds was presented to the Palermo group for its achievements in community service.

The Fort Bragg prize was based on five community safety projects and a series of programs sponsored by the farm organization. They included a teenage safety poster contest, cosponsorship of a driver safetly pledge campaign and participation in a junior hunter safety training course.

Second place winner in the safety contest was the Stockton, San Joaquin County, Grange, which won $300. A $150 third prize went to the Elk Grove Grange and $100 prizes were awarded to the Gridley, Butte County, and Encinitas Granges.

Ralph R. Parks, University of California at Davis, Yolo County, extension agricultural engineer; Glen E. Blackburn, safety education officer for the California Highway Patrol, and Ralph W. Zook, a member of the safety section, state division of highways, were the safety contest judges.

The Palermo first prize for community service was based on the donation of land to the community for a playground. Other winners were the Alderpoint, Humboldt County, Grange, $100, and Cupertino Grange $50.

BUC RESERVES TO PLAY POLY HERE TOMORROW

While most of the Campbell High School Varsity team members are recuperating from their 13-6 defeat to Fremont, the Buc Reserves play the Reserves of Polytechnic High School of San Francisco in an exhibition game, beginning at three o'clock, tomorrow afternoon on the local gridiron. Coach Jim Muir wants it made clear that this is not a Junior Varsity contest; rather, it is a game being played to give the younger players on both squads some much-needed experience. "Let's call it a 'preview' of next season's varsity," Muir said. Polytechnic High School of San Francisco has long been regarded as the powerhouse of Northern California high school football. The Parrots have been city champs in San Francisco for the past five straight years running; they have almost completely dominated the big city's secondary school football for the past decade. This season they were undefeated in their first four contests until drawing a 13-13 tie last week. In every contest this season they scored at least two touchdowns.

THIS WEEK'S BIG GAMES
Poly Reserves at CAMPBELL Friday 3 P. M.
Fremont at Mt. View Friday 8 P. M.
Washington at Santa Clara Friday 8 P. M.
Balboa Reserves at Lick, Saturday 2 P. M.

At Sunnyvale last Friday night it was a great exhibition of high school football. Stands on both sides of Fremont High's beautiful football stadium was jam packed full. Hundreds of standees lined both sidelines. The rooting sections from both school were wildly enthusiastic, and during the half-time proceedings both bands smoothly stepped through some intricate formations, while Campbell High's pom pom girls thrilled everyone as they worked as one cohesive group. As a result, over 5,000 fans seemed to have captured a genuine enthusiasm.

The game itself was terrific. The ball changed hands twenty-nine times during the evening due to fumbles and intercepted passes by both squads. Tony Schraub was a stand-out star. It was his brilliant catch of a Bob Sutton pass that set up Campbell's sixty-one yard drive toward touchdown in the second quarter. The key play of the evening was another Sutton-Schraub pass; this one was a breath-taking thirty-nine yarder that just barely escaped Tony's grasp as he was on a dead run toward the goal.

The other star of the evening was a Fremont Indian, halfback Phil Cardero, runner, passer, punter, and extra point man. One of his kicks sailed for sixty-nine yards to the Bucs' one yard line! He tallied both Indian TD's and added the extra point as well. Cordero is so outstanding that he was the only difference in a game that could have gone either way.

Santa Clara looks better every week making our pre-season prediction of Panthers first and Fremont second look more and more probable. Santa Clara should romp over Washington tomorrow night if Panther fullback Fred Blanco keeps running as he did against Mountain View last weekend when Santa Clara trounced the Eagles 14-0. Blanco dashed 74 yards for a first quarter score and then came ty sx-ally-a D - -roTq back in the third qeriod for sixty yards and a second TD after intercepting a wobby Eagle pass.

James Lick has two stars any opponent must stop to hold the Comets. Washington didn't and so Lick halfbacks Larry Fisher and Darrell Danker both scored two touchdown apiece in a rout over a disappointing Washington eleven last Friday night in Centerville. Fleet-footed Fisher got away for 48 and 26 yard dashes, and Danker made his scores on 68 and 51 yard runs. Hal Najaki's fine passing prove dagain that he is the smoothest quarterback in the whole SCVAL this year.

FAMOUS TRACK STAR ON FACULTY CAMPBELL HIGH

Two of the new members of the Campbell High School faculty have attained considerable recognition in sports and recreation, it was disclosed this week. Bill Priddy, who is a driver education instructor and track coach, is listed in achievements as pole vaulter, while every track record book for his Felix Knauth in the English department is a Sierra Club member who has scaled peaks and made conservation reports for official recognition.

In 1946 while 16, Bill Priddy, then a student as Bakersfield High School, pole-vaulted 13 feet. Later, while in Junior college at Bakersfield he set the junior college record which still stands at 13 feet, six inches. In 1952, while earning his A. B. in physical Education at San Jose State College, he tied for first in the N. C. A. A. track meet and was named on the "U. S. College All-American Track team". He is listed in the World Almanac, in Information Please almanac as well as N. C. A. A. Track Record Book because of his 14 feet, two inch vault in the 1952 West Coast Relays at Fresno.

With his wife, Joyce, and their two children, Bill Priddy now lives at 65 Cypress avenue in Campbell. His six year old daughter is enrolled in the Rosemary school. His son is two and looks like he might become a discus-thrower, according to Mrs. Priddy.

Bill Priddy says he enjoys teaching driver education but that he looks forward to next Spring when he is to assist Junior Morgan with the track events.

"This school is the greatest", Priddy said, adding "Wherever I've been I have heard favorable comments about Campbell High so I am naturally very happy about my position here. I expect to be very happy in my track coaching experiences. It will be gratifying to work with boys of high school age who are out for track events."

Knauth earned his M. A. in English at Stanford University last year after working his way through college as house manager, cement mixer and gradener. He came to this area six years ago from Boston. Most of his summer is spent in the mountains. He has already made a success of the "room library" getting students to read good books. Knauth and his wife, Phyllis live in San Jose. She is a Phi Beta Kappa from Mills College, on one year's leave of absence as psychometrist for the Palo Alto Board of Education while working for her M. A. in counseling and guidance at Stanford. Nearly every Saturday Mr. and Mrs. Knauth do professional gardening on the Stanford campus for one of the professors.

250 ATTENDED LOYALTY DINNER

Two hundred and fifty members and friends of the Congregational Church of Campbell attended the Loyalty Dinner at the Church on North Central Avenue last night, served by the ladies of the Church of the Valley.

Dr. Wyland Morgan, general chairman of the every-member-canvass for Building Fund and Budget, presided over the program that followed the dinner. Others participating in the program were: Mrs. Dorothy Royce, Stanley Smith, Paul Welsh, Chairman of the Canvass Committee, and Richard Morton

The invocation was pronounced by the Reverend Joseph L. Bennett and Dr. Corwin Olds, minister of the Church closed the program with a spiritual message and the benediction.

Hostesses for the dinner were: Miss Marian Hill, Miss Hancie Naylor and Mesdames Frank Blair, L. W. Critchlow, Vincent Diehl, James Edgemon, Lawrence Faulkner, Walter Gipe, George Jeffers, Norman Liles, Wilbur Mitchell, Wyland Morgan, Werner Raab, Lawrence Schaper, T. E. Schenk, Stanley Smith, Tina Taylor, Wayne Tyrell, and Ralph Weymouth, Dale Hanson, Richard Morton.

Jr. Hostesses: Mary Munsen, Lynn Schaper, Anita Raab, Mary Page, Margaret Smith, Pat Weymouth.

BISHOP-LOPEZ NUPTIAL RITES IN FIRST METHODIST CHURCH

The First Methodist Church of Campbell was the setting for the mid-afternoon rites which united Stella Lopez and Edward Lyle Bishop in marriage last Saturday. The Reverend Herbert Neale performed the ceremony.

For her wedding, Stella chose a white ballerina length gown, fashioned with a bodice of nylon lace featuring a sweetheart neckline, and a bouffant skirt of nylon net and lace over taffeta. Her shoulder length veil was caught to a crown of tiny velvet and pearl flowers. She carried a bouquet of white carnations centered with an orchid.

Stella was escorted to the altar by her father, Charles Paice. Jack Owen, U. S. Navy H. N., performed the duties of best man.

Maid of Honor, and only attendant of the bride, was Carole Foster who wore a blue gown with bouffant skirt and carried a bouquet of pink carnations. The mother of the bride selected a gown of lavender nylon with black accessories and pinned on a corsage of pink orchids.

Stella is the daughter of Mr. and Mrs. Charles Paice of Rt. 2, Box 435 Wedgewood Avenue. At the present time she is a student at Campbell High School.

Edward is the son of Mr. and Mrs. Clyde Bishop of Colorado Springs, Colorado, and brother of Fay LaVerne, Linda, Ronnie and Richard. He graduated from Los Gatos High School in 1952 and is now serving in the U. S. Navy as Medic.

Following the ceremony, a reception was held for 45 guests at the home of the bride's parents where the young couple cut their wedding cake and received the felicitations of their friends.

At the present time, Edward has left for Camp Pendleton where he has been stationed, and Stella will remain at the home of her parents until after graduation and her husband returns home. On completion of his Navy service, Edward plans to enter college and study medicine.

WOMEN BRING FINE MORAL TONE TO POLITICS, SAYS BRUCE ALLEN HERE

Through their active interest in public affairs, women have brought to politics a fine moral tone and integrity, said Assemblyman Bruce Allen yesterday at a meeting of Campbell women at the home of Miss Hancie M. Naylor, 155 Alice Avenue.

"These coffee hours, which are being given all over the state to hear various candidates discuss campaign issues, are but one example of your sincere interest," Allen commented.

"In my own case, I am grateful for the support women have given on liquor reform legislation, Prop. 3, of which I am co-author with Cap Weinberger, on my bills to promote safety, and on my legislation, such at AB1, to provide better school planning and financing," the incumbent candidate said.

He added, "You and other women have been our leaders in shouldering social responsibility. You have done this while at the same time you fulfill your home duties as wives and mothers and often help as wage-earners as well."

He thanked women for their support of his five legislative bills to prosecute welfare chiselers and deserting fathers and to protect the public from unscrupulous use of welfare funds.

"Already, in this county alone, 2000 cases have been investigated, and over $100,000 or about six cents of every dollar saved the tax-payer through these bills," Allen said.

Air Force Academy In Commission

Ten candidates from Santa Clara Santa Cruz and San Benito Counties will be nominated for the New Air Force Academy's initial class, and applications are being received now, according to Congressman Charles S. Gubser (R-Gilroy).

Examination scores will determine how many of the 10 will be selected by the Air Force for the first class in 1955.

There is an unexpected vacancy for Naval Academy from this area, Gubser said. Examinations for both academies will be held by the U. S. Civil Service Commission Jan. 12, 1055, at places to be announced later.

Hobby Center To Open Saturday

Hobby Center is the name of the new shop opening on Saturday at 31 So. Winchester Road with Mrs. R. H. Holmes of Little Harriett Rd., Campbell, in charge. The center will go in extensively for model railroads, planes, cars and various crafts.

Mr. and Mrs. Holmes have resided in Campbell for several years and have long been interested in hobbies of all sorts for a long time. Their son, Charles D. Holmes, former Campbell students, has been working at a Hobby Center in San Jose but is now with Fibreglass Company. All three are interested in the management of the Hobby Center in Campbell.

Through the years, Miss California has had one hair-breadth escape after another from the grasping clutches of the pension promoters • 'Way back in 1938 they tried to ply her with Ham and Eggs, and the year after that they offered her funny money—Thirty Dollars Every Thursday • Their schemes bore fruit in 1948 when the McLain Pension Scheme squeaked through at the polls by a narrow margin, and Miss California faced fiscal ruin until the voters mercifully saved her the following year by turning the promoters out of office • In 1950 the pension promoters tried to lure Miss California with the promise of vast gambling profits • In 1952 she fled from a Blackjack Scheme • This year Miss California is threatened once more with fiscal ruin at the hands of pension promoters, by Proposition No. 4 •

AIKEN, PG&E MAN, IS TO TRANSFER

Douglas S. Aiken, San Jose Division Commercial manager for Pacific Gas and Electric Company since 1946, will be transferred to the East Bay Division November 1 and his place will be taken by C. Elliott Ginochio of Marysville, Commercial manager for the PG&E Colgate Division. The announcement was made today by W. R. Bowler, San Jose Division manager.

Ginochio, whose service with PG&E started in 1929, a year after his graduation from the University of California with an electrical engineering degree, will make his home in San Jose with his wife and their daughter, Barbara, 17, who is a high school senior.

Narcotics Traffic Fought By Young

Speaking before the San Jose Chapter of Women's Council of Real Estate Brokers in what Mrs. F. M. Johnson, President, called an All-Time record attendance of members and guests, William H. Young, Candidate for Sheriff of Santa Clara County, pointed out the many dangers that confront this county in the narcotics traffic. Young said, "The narcotics peddler has crossed the tracks and no family is safe from its horrible effects upon your children and mine, if intelligent and capable leadership is not exercised to enforce the law!" Young further pointed out that Narcotic addiction has jumped 2000 per-cent in juveniles 18 years of age and under in the past 12 years. Young presented a program based on a rigid narcotic control through specially trained deputies which he would personally direct as Sheriff of Santa Clara County.

Young revealed documental evidence of previous investigations in narcotic arrests in which he had personally made twenty-four arrests in the past two years, and the evidence was so complete that in each case the person arrested pleaded guilty.

"In addition to rigid enforcement," Young said, "A strong educational program must be started for both parents and juveniles."

COAST'S FIRST EYE RESEARCH CENTER

The West Coast's first major center for research in eye diseases has been opened in San Francisco.

The new center, the Francis I. Proctor Foundation Laboratory, is incorporated in the University of California Medical Center.

The new quarters house four major laboratories — biochemistry, bacteriology, pathology and uveitis, as well as the Eye Bank.

The Laboratory is supported by funds from the estate of the late Dr. Francis I. Proctor

Senator Kuchel Lists Give-Aways From Congress

San Francisco—The challenge of his Democratic opponent that the 83rd Congress was a "give away" Congress" was accepted Friday by U. S. Senator Thomas H. Kuchel in a television broadcast beamed to San Francisco and Bay area counties.

In his television appearance, Kuchel gave a point-by-point list of the things that the present administration has "given away" to the benefit of the American people.

Kuchel declared that the 83rd Congress "gave" American youth back to their families from the bloody battlefields of Korea; a 10% cut in personal income taxes; more deductions in income taxes for medical costs and hospital; a 50% cut in excise taxes; an air force which is the strongest peace time air force in all our history; an internal security program which has weeded out Communists, subversives and poor security risks from the government; a billion dollar highway construction program; bills to provide for water conservation; laws to prevent security risks from using the Constitution as a cloak for their activities.

Speaking on the unemployment situation, Kuchel declared: "The future economy of the people of the United States rests on something constructive—not upon the necessity of being engaged in a hot war." But Kuchel added: "So long as there is any person who is not gainfully employed, that is a tragic problem that must and will be solved."

Among the other things Kuchel touched upon during the telecast control legislation, the carrying was the need for adequate smog through of a streamlined program for national defense, the continuance of foreign policy decisions that has brought Western Germany back into the western defense alliance and has laid the ground work for the solution of the problem concerned with the occupation of Trieste.

Towards the close of the program, Kuchel made reference to the way in which the present administration has approached the problem of eliminating Communists and subversives from the government.

Kuchel declared: "When Alger Hiss walks out of jail in a few days, I think he will be a living example of the need for the type of legislation which the 83rd Congress enacted and in which I was privileged to play a part."

Kuchel concluded his telecast with the firm resolve to work for a continued constructive program that will launch us on an era of "sanity, security and common sense."

Title of Kuchel's telecast was "Your Right To Know"—an oblique reference to the title of 4 million copies of the Congressional Record remarks by Congressman Yorty and distributed postage free recently at an estimated cost of $120,000 to the taxpayers.

State Treasurer Claims Opponent Is Unqualified

In a final statement to the press as he wound up his campaign for re-election, State Treasurer Charles G. Johnson expressed his firm belief that the voters will again return him to office and at the same time blasted his opponent as being "completely unqualified" for this important non-partisan constitutional office.

"I am very grateful to my good friends throughout the state who have rallied to my support and I am confident of victory on November 2," Johnson said. "I feel that I should, however, warn the voters that my ambitious opponent who seeks to fool the people with the similarity of our names, has absolutely no qualifications for the office of State Treasurer.

"Just because he held the unimportant honorary post of treasurer of the Democratic state central committee does not fit him to fulfill the important duties of the office to which I have devoted more than 30 years of my life."

It's Prosperity Insurance!

Proposition 5 renews a 40-year old law exempting home-owned ships from personal property tax levies that can't be assessed against foreign and out-of-State ships.

California ships could not compete, tax-wise, without this protection, and in many cases would be forced to seek registry in other ports, spending there the many millions of dollars for repairs and provisioning now spent in California.

A healthy shipping industry is vital to California's prosperity. Shipping furnished jobs for 20,000 Californians last year with a payroll of more than 100 million dollars! Every county in every section of the State benefits in terms of wider markets and better prices for products, more business volume, more stability, more job protection.

Everybody favors Proposition 5: the Democratic Party and the Republican Party, the Farm Bureau Federation, the State Federation of Labor, the State Chamber of Commerce, the California Federation of Women's Clubs and scores of other civic, labor, business, women's and patriotic organizations.

WHAT'S DOING
T. T. Cook, Jr., your Telephone District Manager for Campbell

Now your voice can answer the telephone when you're away

Scene: an office. Nobody's there. But when the telephone rings, a voice answers: "This is GArden 6-8049. We'll be back at 3:30. Would you like to leave a message?" This is our new automatic answering and recording equipment at work. When you're away, it automatically "answers" your telephone, gives callers your recorded message. When you return, it plays back their replies. You can get this handy equipment through your telephone business office.

It's one more way we've found to make your telephone more useful ... while still keeping it low in cost. **Pacific Telephone works to make your telephone a bigger value every day.**

Help yourself to even faster long distance service

One of the big advantages of long distance service is that it saves time—helps you do things in a hurry. This service works even faster for you if you give the operator the telephone number of the person you're calling, not just his name and address. In fact, your calls go through twice as fast. So for the very best long distance service, please call by number.

'New Multi-Million Dollar Plant In Milpitas'

Telephones began to appear this month at the Ford Motor Company's new $14,000,000 plant in Milpitas. By next month the first of some 400 telephones is expected to be in actual operation. This, of course, is only a part of the vast communications network planned to conduct the day-to-day activities of this new multi-million dollar industry.

When peak production is reached in the new plant, it is anticipated that some 900 cars and trucks will roll off the assembly line daily. To accomplish this, current plans call for two eight-hour shifts employing some 4,000 to 5,000 workers.

In addition to the 400 telephones that will be scattered throughout the 160-acre Ford plot, the communications system will include an elaborate dial switchboard, some 48 direct lines to San Jose, 49 teletypewriters which include a network of 34 strategically located machines that will be used to control production, and some 12 mobile radio units that will be used in controlling the flow of production supplies.

The new plant is scheduled to begin operation sometime during the early part of next year.

Bill Young Talks At Cub Scout Meet

William H. Young was the guest of honor at Cub Scout 10's Pack meeting last Friday. Mr. Young, who is a candidate for the office of sheriff, took time from his campaign to continue his 15 year old gun safety program for children. He has lectured and shot before the children of about 60 schools this past year. On October 21, Mr. Young shot on KGOTV. He has received commendations from various youth organizations, the schools, as well as adult and church organizations having Father-Son nights.

He formerly held several pistol championships including the Western Revolver Association Time Fire Match and the Camp Perry Course Match. At one time he tied the World's Record at Rapid Fire.

Young demonstrated with the revolver and automatic. Among his feats for the boys he shot a card in two and shot out a lighted candle.

Before Mr. Young spoke, Mrs. Gerin's den put on the opening ceremonies. The boys who participated were Ralph Jewell, Tommy Gerin, Larry McKay, Clarence Helmbold, David Houge, David Whitney, and Pat Bisconti.

Awards were presented to the following boys:

Mrs. Gerin's Den: Pat Bisconti, Gold Arrow; Denners' Stripes, Ralph Jewell; Assistant Denners' Stripes went to David Whitney.

Mrs. Lathrop's Den: Denners' Stripes and Silver arrow, Dennis Lathrop; Assistant Denners' Stripes and silver arrow, Bruce Schatmeier; Lion Badge, Jimmy Gilbert; one gold arrow and two silver arrows, Paul Decker.

Mrs. Rapheld's Den: one silver arrow, Tommy Rapheld.

David Knight of Mrs. Lippert's Den received his Webelos.

John Wickliffe was inducted.

Refreshments consisted of doughnuts and pop.

CAMPBELL REGISTER

Carol Johnson celebrated her 8th birthday with a party amid witches, ghosts and hob-goblins last Saturday at her home at 70 West Latimer. She and her friends played all sorts of Hallowe'en games with the assistance of Florance Edwards and Pat Rappe who also helped serve refreshments. Guests attending the Hallowe'en birthday party were Bonnie Rappe, Kathy West, Carol Johnson, Cynthia Brett, Joyce Price, Carol Baldwin, Merikay Barker, Marty Wiedemann, Martha Bradshaw, Mary Beth Rogers, Sylvia Sigle, Donna Alfano, Michele McGegor, Donald McGegor, Butch Wells, Barbara Wells, Alice Roberson, Susan Peterson, Jack Johnson, and Joanne Fritas.

The Womens Service Club will hold its second meeting of the year in the home of Mrs. E. R. Forman at 111 E. Campbell Avenue. Cohostesses are Mrs. Dean Chamberlin, Mrs. Gregory Parker and Miss Winnie Grizzle.

The former JEANNETTE GOMES, now Mrs. Courtland Watson of Los Angeles, is spending a week visiting with her parents, Mr. and Mrs. Joseph V. Gomes of 200 E. Hamilton Avenue. Jeannette says she is here to get away from the smog and that it is really wonderful to see the sun again. She and her husband are planning on moving in February to Tucson, Arizona, where they are building a new home.

The Happy Bluebirds had a birthday party at the Rosemary School Tuesday honoring Cynthia Brett and Carol Johnson. Mrs. B. C. Rappe is their leader and she is assisted by Mrs. F. Johnson. At their next meeting they plan to take a field trip to study fall leaves.

Two little neighbor girls born the same day and with names almost exactly alike, Diana Lynn Runner and Diane Lynn Johnson, celebrated their tenth birthdays Monday evening with a joint Birthday Dinner Party at the Johnson home at 74 Hunt Way. After playing Charades and other games the two girls blew out the ten candles on a large pink angel food cake and made their birthday wishes. Attending the dinner party were Carolyn Hall, Jenny Johnson, Maryanne Webb, Gloria Carpenter, Ronnie Carpenter, Kenny Gordan, Jeffery Gambert, Sharon Murty, Linda Faulkner, Diana Runner, Diane Johnson, Jackie Mars, Cynthia Lyons and Robert Lara.

Mr. and Mrs. Max Nigl of Burton Road entertained friends with a Pinochle party in their home last Saturday evening. Guests present were Messers and Mesdames Matt Helmbold, Guy Gibbs, C. T. Mitchell, Max Nigle, Senior and Mrs. Gibbs of Pennsylvania, who is visiting with her son.

The .I O. O. F. Hall in Mokelumne Hill is said to be the first three-story structure in the interior of California; originally a two-story structure built in 1854 as an Adams & Co. express office, the third floor was added by the Odd Fellows Lodge in 1861.

Exports represent about one-fifth of the total industrial output of the United Kingdom.

Rev. Harold Hare Urges Approval Proposition 3

Members of the Campbell Seventh-day Adventist Church were urged to vote "yes" on Proposition 3 at the November 2 election by Pastor Harold Hare, of the local church.

"Christian people must use their influence at the polls to correct abuses of liquor control in California. A new system of liquor control is desperately needed in this state if we are to stop the crimes caused by drunken teen-agers who can under the present lax controls buy intoxicants openly, at many liquor stores," the pastor declared.

"Normally Seventh-day Adventists do not become involved in political issues, but Proposition 3 concerns morality more than politics," Pastor Hare stated. "The current scandals involving sale of liquor licenses is just another proof that stricter supervision of liquor laws is needed. Already California stands second in liquor consumption among 48 states. A growing army of alcoholics is being produced in the state and crime is increasing among young people especially because of liquor," the Adventist minister said.
